I currently teach seventh-grade writing, Raceboy and Super Qwok Adventures life decision that can be both wonderful, as when a student comes back to my class and thanks me years later for being his or her favorite teacher, or excruciating, as when I face the general apathy and disinterest that is the hallmark of being twelve and thirteen years old. The journey through physical existence and hereafter and then back into this world, repeatedly, is neatly and precisely described by a siddha from a higher dimension.
