You will find your student graduating educationally prepared. Ryan Craig, the co-founder of University Ventures, a major investor in firms at the intersection of education and employment, is adamant that the connection between graduating high school and an entry-level job The College of the Future ripe for disruption. While the state of higher education has been in flux for a decade or so, little is known about how the changes will actually affect those stakeholders - students, faculty, administrators, and others - today and in the future. SymbolsCreatedwithSketch. How to prepare for college entrance tests. They do not know what is significant, and what is important, when it comes to college planning. I imagined someone who had worked hard all his life in relative obscurity, someone with unfulfilled dreams-perhaps of the degree he never attained, the career he never pursued, the company he never started. May27, We are confident that the sector will rise to meet these challenges and feel privileged to be part of shaping the solution.
