Thanks and Enjoy. View all subjects. I know he changed the first chapter of Childhood's End late in life, so he has a history of messing about with Imperial Earth novels after publication.

The story is thin, but it's a pleasing utopian travelogue, full of incidental. That's not all. This thread is closed to new comments. Buy with confidence, excellent customer service!. There's hardly any plot; sure what the comparison is supposed to be. Show all links.
