Kurds, Democracy and a New Coalition Government. Given this shared ground, both groups stand to gain from changes to the constitution that would promote liberalism, whether in the expression of religion or with regard to the use of the Kurdish language. Share Give access Share full text access. PeopleventedtheirfrustrationatballotboxandbroughtDemocratPartyDPT On the other hand, Erdogan is trying to prevent those supporting a European identity for Turkey from acting outside the framework and control of the Islamist government. The government has also carried out reforms that allow the return of property to non-Muslim charitable foundations that were taken away in earlier decades.
