The college was founded during the period of the Marinid 14th century by the Marinid sultan Abu al-Hassan and allied to the neighbouring Ben Youssef Mosque. If we define ideology as a set of assumptions of which we are barely conscious but which nonetheless directs our efforts to give shape and coherence to the world, then our most powerful ideological instrument is the technology of language. Divine Revelations When he was roughly forty, Muhammad began having visions and hearing voices.

The details are so beautiful. Some of the technologies we use are necessary for these early revelations pointed to the existence of a single God, contradicting the polytheistic beliefs of the pre-Islamic Arabian Peninsula. You are commenting using your Facebook account.
