Awkward classroom silences and rolled eyes accompany teachers who espouse opinions about war profiteering. Bonin believes this is in part because younger generations in America have fewer family ties to military service members than at any time since World War II, which means students have little reason to engage with the war on personal terms. Impact: Project Zero. Such a system is not self-sustaining; it requires the steady input of citizen. In social studies classrooms, history is typically taught chronologically. Californian reformers went after more experienced teachers as well, suggesting that tenure protections should be weakened or eliminated because it is too hard to fire incompetent teachers. Feature films certainly are effective, but it is often difficult to decide what to Top.
