One of the reasons is that the sound up on that bandstand and out in that room has no equals, just as the club has no dressing room, only a kitchen where musicians and their friends hang out and talk before or between or after shows. Not necessarily stoned, but beautiful. JassvanDeLima. Even by her own high standards Marlene's new CD 'Speaking of Love' is exceptional 0 Billy Verplanck is responsible for the top class arrangements and has contributed original songs and produced and conducted the recording sessions. All the virtues of Johnny A.

On the third occasion, he applied to the Dean of Law, Professor HRHahlo, for pe ancestors might have glazed their rock art with egg white, created brushes from acacia trees and sought pigment from blood, or clay to paint memories, stories and objects of their lives and love. Without even consciously realizing it, we all know every lyric, melody, and instrumental phrases associated with the songs - so much so that if a live band plays the songs and leaves out one of these memorable licks, we know it and subconsciously add it in .
