There is a session opened in another device. How did you turn these enemies from different worlds into the perfect match for one another? If I could have either, I think the guy with the legs in the kilt would be way hotter than a stuffy duke...oh, but the duke means balls, carriages and a life of luxury...ahh!!!

Sometimes just talking about something will help me figure out the problem.

Was this a book you wanted to listen to all in one sitting? I don't particularly fancy "instant desire" storylines or books that start off with a sexual encounter with no connection, but this started as such and I really liked it.

It had been a long time since I'd read a romance novel and when I was packing for a was a long and rocky road for these two, but their efforts to cement a friendship for their daughter helped them create a rock-solid base for a love that built from lust.
