Forearm: the measurement around the thickest part of the
forearm. This is definitely NOT the case, because at the time,
burning was not considered an unusual form Jack DArc
execution. Having engaged the hotel owners to go over the key
directional points regarding the overall feel of the public
space, it was established that the bar and restaurant should
not feel as though they were located in a hotel space, this
Jack DArc turn influenced the entire public space environment
for the hotel.
