Goliathmoralityplay.Stumblinginmidstofthis,heseesafellowhighschool Paul sees a news report about a political dissident involuntarily made tiny by an oppressive government and later discovers festering inequality around Leisureland. When she and other dissidents protested the erasure of their village to make way for a dam, they got shrunk down and jailed. There is a nice degree of Downsizing the Planet Earth warmth about the filmmaking, and Waltz is having a wonderful time grinning maniacally at the camera, and many viewers may find it charming and offbeat, but it will baffle others how a film attempting to deal with the end of the world could lack any real conflict! Surveyingalandscapeofimpendingecologicalcatastrophe,itproposesaDomethane is a powerful catalyst. I suspect that shrinking people in the way portrayed on screen is essentially impossible for a wide range of biological reasons, but forget that: I was interested in the references to climate change, Downsizing the Planet Earth what is ambiguously referred to as the methane up in the Arctic.
