But to conceive simultaneously not only the feelings produced in another, but the plexus of acts and relations involved in the production of such feelings, presupposes the putting together in thought of more elements than an inferior creature can grasp at the same time. Back to Top Ethics and Social Concern Moral Values Given the apparent moral differences found among people with different national, ethnic, or religious backgrounds, it may seem naive to talk, as we have, of common moral values. Milton Friedman is the pioneer of the view. Tolleson-Rinehart,S.RetrievedA final problem is that of the meaning of ethics. This idea has been captured in the debate on interpretive or interpretative flexibility Cadili
