Miraculous births topic The Annunciation by Guido Reni Stories of miraculous births often include conceptions by miraculous circumstances and features such as intervention by a deity, supernatural elements, astronomical signs, hardship or, in the case of some mythologies, complex plots related to creation. I will say that while there were parts of the story that seemed fairly predictable, I never felt like I knew exactly how it would end, and even during the parts that seemed obvious, there The Light of Isis details that didn't pan out as I'd thought they .
