The47Ward, It is usually political scientists who pose counterfactuals. He suggested that the interplay of these three components over time has resulted in a system of government in which the brunt of power rests with the House of Commons. While also disclaiming any intention to portray the Crown as 'a single causal explanation for the nature of Canada's administration,' he does insist that we cannot fully comprehend any aspect of government without tracing its operation to this core concept. On the one hand, provinces are free to write their own constitutions and amend sign in. Dominion and Agency: Copyright and the Structuring of.
