Our children require all that we are and all that we have which can leave us feeling

I grew up in a home where my dad struggled with anger.

Policies like universal childcare and paid family leave would certainly go a long way to reducing the stress levels of American mothers, but Collins wants people to look beyond what policies the country is lacking and also consider how America's history and cultural beliefs about individualism, men and women have led us. I salute you and truly hope the next steps you take open up a better future for you and your child. Michael Zilinek. It was totally up to her whether to allow life to decide her fate or limit emotions and handle business.
