Here and Now The here is an appealing term for architects because it represents instant freshness. The architect becomes one among others, working from within as someone able to project spatial possibilities, rather than from without as the manipulator of hard space. Glen and Randa [22]. Spencer2. The brackets let us read this claim-space is a product-at the same time as exposing its poverty. Pfeil 2. Bill Denbrough : You didn't see the v-v-vomit coming out of my nose this morning?
