Real crayfish will drift in the current at times just like nymphs. I carry it in sizes in tan, brown, olive, and orange. Spiders such as Snipe and Purple, Waterhen Bloa, Woodcock and Hareslug, and Partridge and Orange will often score more heavily than the dries during the hatches. Or. The future of fishing is in serious peril. Retrieve the fly about two inches a second. My best results with this fly have always come by dead drifting it near the bottom under Trout: On the Fly strike indicator. A Net – If your net is one of the models with a short handle and small, shallow hoops, leave it at home. It is recommended you use 4 to 6 weight rods. River Don, Large Dark Olives, seem to be larger than the norm, so early season a size 12 fly will often prove more successful, later in the year a 14 or 16 is better as the Olives get smaller.
