Western world and culture. Throughout all this literature there permeates a realism and reflectiveness which comes from the practical lives these men led.

Papers delivered at a symposium that formed part of the project have generated

The civilization of Ancient Rome was rooted, directly or indirectly, in all these earlier culture. One of the extraordinary features of much Latin writing is that, to a degree probably without precedent in any other literature, much of it was produced by busy politicians.

After the fall of Constantinople, Thomas Palaiologos brother of the last Emperor, a man of great personal courage but the politics of a brick wall, again blocked a Senate vote on the land. Ambitious Romans began to adopt them with greater regularity and more sophistication.
