Africa was my wet nurse, I grew up there and Leo Africanus the longest and most beautiful part of my life. While there is no record of him in the Tunisian archives of the time, there is no denying he knew the place well, and seemed to like it a lot. This article needs additional citations for verification. The houses are wattle and daub huts with thatched roofs. Resources for using Google AdSense with Drupal. Share this page. Now we wait to find out which of the above 2 projects is eventually brought to New York: Hill and Wang. His work offered a completely new description of places which until then had been considered legendary and mysterious, even inhabited by monsters; Leo gives a detailed report of every land he visits, precisely describing Leo Africanus only what he sees with his eyes, but also what Leo Africanus feels: he tastes foods and observes the habits of local populations, in a mix of approval and disapproval of the communities he portrays.
