Poetic Gestures to main content. While there is an underlying unifying principle of non-utilitarian communicative gestures, it is not spelt out as such, possibly because of the poetic status of those texts.

Inasecondartisticresearchproject,TakingBacktheLandIdrawconnection

She leaned her head on my shoulder, the way lovers do and tenderly held my hand within her two, As if not wanting to let go, Those gestures said all there was to say, And Poetic Gestures savored each silent moment. The title should be at least 4 characters long.
