Being Mortal. Person B, acting selfishly, has no reason to give any money back – and, knowing this, person A shouldn't send any over in the first place.

Emotionsandthelinktochemistry,veryinteresting.TheBuddhaPill. It cracks me up how scientists can point out root causes for certain symptoms and religious wackadoos will go on about God, Jesus, free will, personal responsibility, blah blah blah. Those aware have to cope with emptiness and reality. I knew someone who was a volunteer at church and in the community and told very grandiose stories about himself we assume they were tall tales but ended up stealing money a large amount of money over a period of time. Ontothenext!TiffanyJenkins.He claimed that his lawyer lacked oxytocin and was empathy-deficient and consequently did not appropriately represent him in court.
